

Xinaps B.V. – END USER LICENSE AGREEMENT

Last Updated On: 12 June 2024

READ CAREFULLY: XINAPS, THE LICENSOR OF VERIFI3D HEREAFTER LICENSOR LICENSES THIS PROGRAM, TOOL, PLATFORM, APPLICATION, LIBRARY, CONTENT, DATA, SOLUTION, SERVICE OR OTHER ITEM OR MATERIAL (THE "SOLUTION") TO YOU, THE LICENSEE ONLY UPON THE CONDITION THAT YOU ACCEPT ALL OF THE TERMS CONTAINED IN THIS END USER LICENSE AGREEMENT ("**AGREEMENT**").

COPYING, DOWNLOADING, INSTALLING, UPLOADING, ACCESSING OR USING THIS SOLUTION EXCEPT AS PERMITTED BY THIS AGREEMENT IS UNAUTHORIZED AND CONSTITUTES A MATERIAL BREACH OF THIS AGREEMENT AND AN INFRINGEMENT OF THE COPYRIGHT AND OTHER INTELLECTUAL PROPERTY RIGHTS IN SUCH SOLUTION AND MAY SUBJECT YOU TO LIABILITY FOR DAMAGES AND CRIMINAL PENALTIES.

Verifi3D will be made available through the Verifi3D url app.verifi3d.com and made available as a floating license. Your license to each Solution that you obtain through the Verifi3D website is subject to your prior acceptance of this End User License Agreement, and you agree that the terms of this Agreement will apply to each Solution that you license through the Verifi3D website.

If you are downloading, accessing or using a Solution provided or authored by a third-party publisher or provider, this Agreement is solely between the publisher or provider of that Solution and you, and not with Xinaps B.V. If the Solution is covered by a separate end user license agreement validly entered into between you and the publisher, then such publisher's end user license agreement will apply to that Solution and supersede this Agreement.

Licensor is solely responsible for the Solution, including, without limitation, for:

- a. Any and all content, functionality, services or subscriptions provided through or in connection with the Solution;
- b. Maintenance and support services, as specified in this Agreement (if any) or as required under applicable law;
- c. Any notices and consents required to be given to end users regarding data collection, use and/or storage (if any) by Solution under applicable privacy/data protection laws;

- d. Any and all warranties, whether express or implied by law, to the extent not effectively disclaimed in this Agreement, or other claims, losses, liabilities, damages, costs or expenses attributable to any failure to conform to any warranty; and
- e. The investigation, defense, settlement and discharge of any claims by you or any third party in any way relating to the Solution, including, but not limited to, for (i) Solution liability, (ii) noncompliance with any applicable law, rule or regulation (including, without limitation, consumer protection, privacy, data collection or similar legislation), and (iii) infringement of any third party's intellectual property rights.

Notwithstanding the above, you acknowledge that Xinaps is a third-party beneficiary of this Agreement and that upon your acceptance of the terms of this Agreement, Xinaps will have the right to enforce the Agreement against you as a third-party beneficiary thereof.

Questions, complaints or claims with respect to the Solution should be directed solely to the Licensor, whose contact information can be found on the Solution Download Page from which the Solution is downloaded.

1. **Qualified User and Permitted Uses.** The Solution is to be used only in conjunction with the specific Autodesk, Trimble Connect, SharePoint, Dropbox, OneDrive, Procore, Aconex, BIMserver.center or local hard drive software Solutions or services identified in materials distributed with the Solution, with which such Solution was designed to operate. Therefore, you may use the Solution only if you are a registered user of the CDE (Common Data Environment) platforms as mentioned and for the term and within the scope of the license granted for the CDE Platform. This Agreement does not modify or alter the terms of the license agreement delivered.
2. **License.** Subject to the terms and conditions of this Agreement and conditioned on your continuous compliance with all license limitations and restrictions described in this Agreement, Licensor grants to you a personal, non-transferable, non-sublicensable, non-exclusive, royalty-free, limited license to use the Solution solely in connection with the aforementioned CDEs. Xinaps measure the usage of a floating license and the usage is restricted to one user at a time. If the Solution is licensed to you by Licensor on a "trial" basis, you may use the Solution solely for the purposes of evaluation and demonstration of the capabilities of the Solution, for a fixed term specified in the Solution Download Page. If the Solution is in the form of a service, you may access and use the Service solely for your internal business purposes and in the form made accessible and/or provided by Licensor. If you violate any of these limitations or restrictions, the license grant will automatically and immediately expire. Any usage of the Solution outside the scope of the applicable license grant constitutes an infringement of the Licensor's intellectual property rights as well as a material breach of this Agreement. The Solution and any accompanying documentation are owned by the Licensor and are protected by copyright laws and international

intellectual property treaties. The Licensee acknowledges that the Licensee does not acquire any ownership rights in the Solution and that the Licensor retains all intellectual property rights in the Solution. The terms of the license will govern any upgrades provided by the Licensor that replace and/or supplement the original Solution unless such upgrade is accompanied by a separate license in which case the terms of that license will govern. The Licensor may provide updates, bug fixes, or other support services for the Solution at its sole discretion. The Licensee may be required to install updates to continue using the Solution. The Licensor may cease providing support or updates for the Solution at any time without prior notice.

3. **Restrictions.** You acknowledge and agree that, notwithstanding anything to the contrary in this Agreement, no license is granted (whether expressly, by implication or otherwise) under this Agreement to any materials by Xinaps or that you did not acquire lawfully or that you acquired in violation of or in a manner inconsistent with this Agreement. You agree not (a) to distribute, rent, loan, lease, sell, sublicense, copy or otherwise provide all or any portion of the Solution to any person or entity except as expressly set forth in this Agreement or as expressly authorized in writing by Licensor, (b) to provide or make available any features or functionality of the Solution to any person or entity, (c) to remove, alter or obscure any proprietary notices, labels or marks in the Solution, (d) to decompile, disassemble or otherwise reverse engineer the Solution, or determine or attempt to determine any source code, algorithms, methods, or techniques used or embodied in the Solution, (e) to translate, adapt, arrange, or create derivative works based on, or otherwise modify the Solution for any purpose, (f) use the Solution in excess of, or in any manner inconsistent with, your entitlements, or (g) use the Solution to collect or store personal data about any person or entity, including other users of the Solution, except as otherwise expressly permitted by Licensor.

4. **Warranty.** THE SOLUTION IS FURNISHED ON AN "AS IS" BASIS, AND THE LICENSOR DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, WARRANTIES OF NON-INFRINGEMENT OF THIRD-PARTY RIGHTS, OR OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ANY WARRANTIES ARISING BY STATUTE OR OTHERWISE IN LAW, OR FROM A COURSE OF DEALING OR USAGE OF TRADE. LICENSOR SPECIFICALLY DOES NOT WARRANT THAT THE SOLUTION WILL MEET YOUR REQUIREMENTS; WILL OPERATE IN ALL THE COMBINATIONS WHICH MAY BE SELECTED FOR USE BY YOU; THAT THE OPERATION OF THE SOLUTION WILL BE ERROR-FREE OR UNINTERRUPTED, ACCURATE, RELIABLE, OR COMPLETE; OR THAT ALL ERRORS OR DEFECTS IN THE SOLUTION WILL BE CORRECTED. NEITHER THE AFOREMENTIONED CDE NOR THE LICENSOR SHALL BE LIABLE FOR ANY DAMAGES WHATSOEVER ARISING FROM OR RELATING TO YOUR USE OR INABILITY TO USE THE SOLUTION. YOU USE THE SOLUTION AT YOUR OWN RISK. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY THE LICENSOR OR AFOREMENTIONED CDE SHALL CREATE A WARRANTY. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO THE ABOVE EXCLUSION AND LIMITATIONS MAY NOT APPLY TO YOU.

5. **Limitation of Liability.** UNDER NO CIRCUMSTANCES WILL THE LICENSOR BE LIABLE TO YOU FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR EXEMPLARY DAMAGES, FOR LOSS OF PROFITS, USE, REVENUE, OR DATA OR FOR BUSINESS INTERRUPTION (REGARDLESS OF THE LEGAL THEORY FOR SEEKING SUCH DAMAGES OR OTHER LIABILITY) ARISING OUT OF OR IN CONNECTION WITH USE OF THE SOLUTION, WHETHER OR NOT AFOREMENTIONED CDE OR LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ADDITION, THE LIABILITY OF THE AFOREMENTIONED CDE OR LICENSOR ARISING OUT OF OR RELATING TO THE SOLUTION WILL NOT EXCEED THE AMOUNT PAID OR PAYABLE BY YOU (IF ANY) FOR SUCH SOLUTION. SOME STATES AND JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION AND EXCLUSIONS MAY NOT APPLY TO YOU.
6. **Confidentiality.** The Licensee agrees to keep confidential and not disclose any confidential information received from the Licensor, including but not limited to the source code, algorithms, and trade secrets related to the Solution.
7. **Export.** You acknowledge that the Solution (including any data submitted by you in connection with the Solution and any specific output generated by the Solution) is subject to the export control laws and regulations of the Netherlands and other applicable countries and you agree that you will abide by those laws and regulations. Under The Netherlands export control laws and regulations, the Solution may not be downloaded/used or otherwise exported, re-exported, or transferred to restricted countries, to restricted end users or for restricted end-uses. You represent, warrant and covenant that you (a) are not located in, or a resident or a national of, a restricted country; (b) are not on any of the Netherlands government lists of restricted end-users; (c) will not, unless otherwise authorized under Dutch export control regulations, use the Solution in any restricted end use, including, without limitation, design, analysis, simulation, estimation, testing, or other activities related to nuclear, chemical/biological weapons, rocket systems or unmanned air vehicles applications; and (iv) will not use the Solution to disclose, transfer, download, export, or re-export, directly or indirectly, any of your content or output generated by the Solution, third party content, or any other content or material or any country, entity, or party that is ineligible to receive such items under the applicable export control laws or regulations to which you may be subject. You understand that the requirements and restrictions of the export control laws as applicable to you may vary depending on your location and the type of Solution provided under this Agreement and may change over time.
8. **Termination.** The license is effective until terminated by you (Licensee) or Licensor. Your rights under this license will terminate automatically without notice from the Licensor if you fail to comply with any term(s) of this license. Upon termination of the license, you shall cease all use of the Solution and destroy all copies, log-ins, full or partial, of the Solution.

9. **General.** If and to the extent any provision of this Agreement is held illegal, invalid, or unenforceable in whole or in part under applicable law, such provision or such portion thereof will be ineffective as to the jurisdiction in which it is illegal, invalid, or unenforceable to the extent of its illegality, invalidity, or unenforceability and will be deemed modified to the extent necessary to conform to applicable law so as to give the maximum effect to the intent of the parties. No term or provision of this Agreement will be considered waived, and no breach excused unless such waiver is in writing and signed on behalf of the party against which the waiver is asserted. No waiver (whether express or implied) will constitute consent to, waiver of, or excuse of any other, different, or subsequent breach. This Agreement will be governed by and construed in accordance with the laws of The Hague (and, to the extent controlling, the federal laws of the Netherlands, without reference to the conflicts-of-laws rules thereof). The UN Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transaction Act shall not apply to (and are excluded from the laws governing) this Agreement. Your use of the Solution may also be subject to other local, state, national, or international laws. This Agreement constitutes the entire agreement between Licensor and you with respect to the Solution and may not be modified except by a written instrument executed by you and an authorized representative of the Licensor.
10. By using the Solution, the Licensee acknowledges having read, understood and agreed to be bound by the terms and conditions of this Agreement, including the Licensee's agreement to grant Verifi3D the authority to manage and process their data as outlined therein.
